SUMMER ! SUMMER! SUMMER!

By Kari Arco

June already? Where does the time go? I personally love all that summer brings....swimming, sunbathing, family vacations, picnics, BBQ's, baseball games, etc. Summer also means that is time to get rid of your spring things and bring out the bright colors and patriotic theme décor. I have many new wreath and ornament options for all the summer theme fun. Happy Summer to everyone

EVERYONE LOVES A SALE

For the month of June, all patriotic wreaths will be slashed 25% off. Visit my website – **PATRIOT COLLECTION** in wreaths section and order soon to get the sale pricing.

WEBSITE UPDATES

My website is constantly being updated to better serve my customers. I am always open to suggestions as to what you want to see offered or features that will make ordering easier.

My latest updates are:

*** When you view a wreath, you can now zoom to see it up close.

*** Due to ever increasing postal rate increases and rising gas prices effecting UPS rates, I have had to raise my wreath shipping rates by \$2.00

*** Local pick up will be added to check out so if you are in my town and want to just pick it up, shipping rate will be FREE

*** Be sure to follow me (WreathsByKari) on Facebook and Twitter – I occasionally offer one day sales through those sites. Spread the word

UPCOMING HOLIDAYS IN NEED OF A WREATH

- Fathers' Day ~ June 19
- 4th of July
- Poolside decor
- Freshen up your front door with bright colors
- Graduates
- Sports/coach gifts

Don't forget dad- I can create a wreath of his favorite hobby(fishing, poker, etc) or his favorite sports team, etc. Perfect for his mancave or garage.

Also, do you know a recent high school grad that is heading off to college? I can make the college theme wreath or ornament for them to take and hang in the dorm room.

Is your child's sports season coming to an end and you need a gift for the coach? Let me know and we will make the perfect wreath or ornament for them.
